NoNoMeCat Symposium 2019

The NoNoMeCat Network, the Swiss Catalysis Community (SwissCat) and SusChem Switzerland invites industrial and academic scientists to join the NoNoMeCat Symposium 2019 that is organized on the occasion of the 4th NoNoMeCat annual meeting. The program includes lectures in the field of non-noble metal catalysis including Mn, Fe, Co, Ni, Cu and provides a platform to discuss trends and efforts to more sustainable and less toxic catalytic reactions. Participants are invited to present their research as a poster presentation and to stimulate the exchange about the latest developments in the field.

Conference Location

Syngenta Crop Protection AG, Research Center Stein
Schaffhauserstrasse 101, 4332 Stein AG, Switzerland

Speakers

Prof. Paul Knochel, Ludwig-Maximilians-Universität, Munich
Prof. Deborah Kays, University of Nottingham
Prof. Miquel Costas, University of Girona
Prof. Jeremy Harvey, University of Leuven
Prof. Bert Klein Gebbink, Utrecht University
Dr. Tomas Smejkal, Syngenta Crop Protection AG
Dr. Stephan Bachmann, F. Hoffmann-La Roche AG

Registration Fees

Students and Postdocs	free of charge
Regular participants	CHF 100.00

Poster Presentations

To apply for a poster presentation during lunch time, please upload your abstract during the registration process.

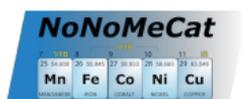

Deadlines

Registration incl. a poster contribution	April 30, 2019
Registration without a contribution	May 31, 2019

Organization Committee

Dr. Andrew J.F. Edmunds, Syngenta Crop Protection AG
Prof. Dr. Martin Albrecht, University of Bern
